## ADHESIVE ANCHOR INSTALLER CERTIFICATION

**2<sup>nd</sup> Friday Of Each Month**

The ACI-CRSI Adhesive Anchor Installer Certification program is ACI's newest certification program. **Adhesive Anchor Installer Certification is now specified as a requirement in the current version of ACI 318-11, Building Code Requirements for Structural Concrete.**

All trades installing adhesive anchors horizontally and overhead subject to sustained tension loads will need this certification. **Location for certification to be announced.**

Even if you've been installing anchors for years, you may be surprised at how significantly even small deviations from proper procedures can adversely impact anchor installation. Each class requires a minimum of 6, and a maximum of 10 attendees to proceed on the scheduled dates.

**TAKE  
10% OFF  
FOR OACI  
CORPORATE  
MEMBERS!**

So mention this class to your coworkers to maintain the proper certification for this important aspect of concrete construction.

Cost of this program is \$600 per person. Included in the price is an Adhesive Installers Workbook (**available in Spanish**) with companion DVD and lunch. Classes start promptly at 8:00 am on the scheduled dates. Retesting for either the Written or Practical exam costs \$300 each.

### CLASS SCHEDULE

8:00 am - 11:30 am	Procedure Review
11:30 am - 12:00 pm	Lunch (Provided)
12:00 pm - 1:30 pm	Written Exam
1:30 pm - 5:00 pm	Performance Exams

**For more information, please Contact Jane Ellsworth at 503.753.3075**

*Registration closes at 5pm, two Fridays ahead of each class.*

**Be Among the First Certified Adhesive Anchor Installers!**

**REGISTER TODAY!**

**IMPORTANT! This is not a learning class. Participants are expected to read the workbook and review the DVD beforehand and be prepared for the test.**
